## **LEI Principals Goulding and Frayer recognized by peers as leaders in energy field for 2018**

BOSTON, June 21, 2018 – London Economics International LLC (“LEI”) has been recognized as a “leading firm” by independent publisher Who’s Who Legal (“WWL”), with LEI Principals AJ Goulding and Julia Frayer also recognized as top five energy experts for 2018.

LEI Principals, AJ Goulding, President, and Julia Frayer, Managing Director, were singled out as among the top “thought leaders” in the energy field worldwide by WWL. Both Goulding and Frayer were specifically praised for their extensive knowledge of energy markets around the world. WWL further notes that Goulding “is widely regarded as ‘a top name’ in the international market and he is endorsed as ‘knowledgeable and insightful economist who always provides excellent input.’” Frayer, meanwhile, was lauded for “her ‘excellent insights’ on cost and pricing matters. She boasts broad international experience and has advised on energy matters around the world.”

“We take immense pride in what we do and appreciate the recognition from Who’s Who Legal, showing that our clients respond to our expertise and work,” Goulding noted. Frayer agreed, adding, “our LEI team is populated with highly-skilled, motivated workers and we are pleased to see the company recognized.”

WWL publishes annual lists of key industry leaders based on recommendations from lawyers and consultants around the world. New for 2018, they have expanded their list to include an Energy Experts list, with AJ Goulding and Julia Frayer receiving spots in the top five list of thought leaders. To see WWL’s complete list of leading firms and thought leaders in the Energy Experts 2018 category, please visit:
